NEWS OF OUR MEN and WOMEN IN UNIFORM

HOME IN DALY CITY AT SAME TIME

—Photo by Craig

Last month, when four Daly City pals arrived home for a rest from their duties with the armed forces they decided to have the staff photographer get their picture. One of the boys, John Andriola, seems to have been some place else when it was taken, but those shown above are, left to right, George Byrne, private first class, U. S. Army, 39 San Pedro avenue; Enrico Bertini, fireman, first class, U. S. Navy, 220 Hillside boulevard; Frank Silvestri, private first class, U. S. Army, 33 Vista Grande avenue.

Mrs. Lottie McLaughlin, 180 Irvington street, has just heard from her son overseas that he has been promoted to major. He is Major **John D. McLaughlin** and was formerly at Camp Breckenridge, Kentucky.

McLaughlin was promoted to captain, June 25, 1943. He was graduated from Officer Candidate School at Camp Lee, Virginia, in October, 1942, and is only 26 now.

Mrs. Jean Morales, 1163 Brunswick street, had a pleasant surprise when she opened her May 1 copy of Time magazine. On page 68 there was an article on her brother, Lieutenant **Galen H. Sturgeon,** who recently read a proclamation establishing military government rule over the first segment of the Japanese empire to be captured by the U. S.—one of the outer atolls of the Marshall islands.

Lieutenant Sturgeon, described by Time as "lanky, native-wise," was graduated with highest honors from the College of Geology at the University of California. He spent six years in Borneo as a geologist for Shell Oil company. His parents live in Berkeley.

James Paul Green, Daly City resident commissioned in Army service since 1941, was promoted recently to the rank of captain, his second promotion within six months.

A son of Mrs. Helena Green, and the husband of Patricia Joan Green, both of 320 Woodrow street, Captain Green entered the Army as a private in January, 1941. He was sent to an Administrative Officers Candidate School in November, 1942, and was commissioned a second lieutenant on graduation in February, 1943.

Captain Green is on duty in the Civilian Personnel branch of the San Francisco Port of Embarkation. In civilian life he was an accountant and paymaster for Marine Terminals corporation, 24 California street, San Francisco.

Lieutenant **S. C. Simpson,** graduate of Jefferson Union high school, is now at Mortens Air academy, Blythe, California. He recently wrote local friends that he was studying hard in his ground courses there.

Simpson also attended San Mateo junior college. He made a name for himself in track and football while at Jeff.

Mario J. Marsili, stationed at Camp Beale, California, with the headquarters units has been promoted from private first class to the grade of corporal.

Corporal Marsili, whose home is at 104 Moltke street, Daly City, is the husband of Mrs. Alice Marsili, whose home is at the same address.

Milton Kaczmark, son of Mr. and Mrs. Martin Kaczmark, 251 Willits street, left Daly City, yesterday, after being home on a 10-day furlough. He's a U. S. Army private stationed at Camp Jackson, South Carolina, in the anti-aircraft division. He has been in the service for nearly a year and a half.

A graduate of Jefferson Union high school, Kaczmark was employed by the San Francisco News before he entered the armed forces.

In April, Lieutenant **R. J. Christen** and his wife visited with his parents, Mr. and Mrs. Martin Christen, 120 Irvington street, during a 15-day leave. Christen has now returned to Corpus Christi, Texas, where he is an instructor.

Private **Charles B. Munday,** Daly City, is now in Italy with the Fifth Army. He is the son of Mrs. Bertha Munday, 360 San Diego avenue, and has been on overseas duty since last November. He reports that Italy's better than North Africa but no place is as good as the United States and he hopes to get back home soon.

Munday was graduated from Jefferson Union high school in 1933. His brother, **Robert Munday,** a first sergeant, is also in the U. S. Army, with the infantry at Camp Claiborne, Louisiana.

Robertson Will Be "Write In" Candidate

Increased interest in the May 19 election of a trustee for the Jefferson Elementary School district was forecast, this week, when A. W. Robertson revealed that he would be a "write in" candidate for the post. Upon the suggestion of friends and neighbors he seeks election to the position of trustee, in spite of the fact that the official filing date had closed. Incumbent is George R. Augustien, veteran member of the board.

Robertson, who has lived here for 14 years, resides with his wife at 371 Irvington street. He has three children, two daughters, Ann and Margaret in school, and a son in the Navy on active duty. He is proprietor of Robertson's Egg store.

To date there was no competition indicated for the high school trustee election, which takes place on the same date, Friday, May 19. Only one trustee at large for three years will be selected in that election.

Polls for the elementary school trustee election will be open from 6 a. m. to 7 p. m. at Crocker, Woodrow Wilson Elementary, and Jefferson (Colma) schools. In the high school trustee election the Daly City portion of the polling will take place during the same hours and at the same places as the elementary district election.

Many To Attend Ball

County Clerk Mails Out Sample Ballots

County Clerk W. H. Augustus and his staff mailed out over 60,000 sample ballots to San Mateo county's registered voters during the past week.

An error in printing the notices of polling places was made, due to an oversight of the new law which changes the opening time from 6 a. m. to 7 a. m.

Heretofore, polling places were opened at 6 o'clock in the morning, and closed at 7 p. m. Under the new law governing elections, polling places will open at 7 a. m. and close at 7 p. m.

This change was overlooked when printing polling place "notices," mailed out with sample ballots. Corrections were made on most of the notices, but a few may have been mailed with the incorrect opening time.

Owing to limitations in time, the notices could not be reprinted and voters are cautioned to bear in mind the 7 a. m. opening time for polling places, Tuesday, May 16, the date of the consolidated primary election.

Don't Forget To Send That Tin To School!

Daly City's Salvage for Victory committee is devoting full efforts to the tin drive which began this week to continue until Friday, May 12, according to R. L. Crane jr., chairman. Children of the district schools are acting as tin collectors but householders are urged to take their collections to the nearest schools if they know no pupils with whom to send their tins.

Naturally, all tin cans donated for the drive should be cleaned, delabelled, and flattened.

Twenty-two and a half tons of waste paper were salvaged in the recent campaign here, and another drive is contemplated before the close of the school term. In Daly City's first drive 37 tons were gathered. The children of Crocker school brought in the most paper per capita in the drive just concluded. For their splendid efforts they were dismissed half an hour early.

Daly City Children Have May 5 Holiday

Youngsters who attend grammar schools of the Jefferson Elementary district and Jefferson Union high school will have a "day off," tomorrow, May 5. The holiday from classrooms was provided to enable all teachers to attend a county-wide San Mateo County Teachers' Institute at Burlingame high school.

All local teachers and administrators were planning to attend. The session was called by Miss Pansy Jewett Abbott, county superintendent of schools. Under discussion will be a proposed frame work of education for California as a whole.

Maybe It's Good Behavior Week

More "peace and quiet" than is Daly City's usual quota seemed to be in order for the past several days, if the reports on file at the Daly City Police department are used as a measuring stick. There were fewer fires, accidents, stolen cars, family rows, and tavern riots.

Only items beyond the routine for the period, April 27 to May 1 were:

Officer George Hopman took a report on an auto accident which occurred on Mission street in front of No. 7242, Thursday, April 27, 3:30 p. m. Only property damage resulted. Cars were driven by Elmo Giardella, 59 Garibaldi street and August Conci, 2231 Junipero Serra boulevard.

Saturday, April 29, 8:55 p. m., cars driven by Joseph Morton, 331

Invite All Parents, Leaders To Scout Rally

Inviting every parent or other adult interested in the welfare of boys in the Daly City-Colma area to be present, the committee for the big Boy Scout rally at Jefferson Union high school auditorium, Thursday evening, May 11, this week was making final program plans for the event. Directing arrangements is Commissioner Tom Tallon.

Purpose of the rally is to stimulate more local interest in the Boy Scout movement, which offers wholesome recreation and valuable training for boys from 9 to adulthood.

A film showing several phases of Boy Scout activities will be presented. L. Bond, from San Francisco headquarters, will be guest speaker. His message will deal with good citizenship for youth.

Local men who have been working on plans for the rally include Tallon, Mel Battye, James G. Reardon, R. L. Crane jr., Joseph Straughan, and R. E. Bennett.

Three Discover Speeding Is Costly

Judge William J. Sweeney fined three men for speeding, during his city court session, Friday afternoon, April 28, at the city hall. Alfred Gay Jones, 792 Thirty-second avenue, San Francisco, paid $10 for speeding and disregarding a signal; Oscar N. Christianson, 324 Staples street, San Francisco, paid $10 for speeding; Rex Smith, 330 Rio Verde street, San Francisco, paid $25 for reckless driving and speeding.

The judge imposed a fine of $15 on Ruth Wood, 972 Hanover street, who had received thirteen tags for overnight parking.

Annual Novena Will Open, May 6

Conducted by Reverend F. Philip Aggeler, C. Ss. R., Livermore, California, the annual solemn novena in honor of Our Mother of Perpetual Help will open at Our Lady of Perpetual Help church, 60 Wellington avenue, Saturday, May 6, at the morning masses.

Solemn close to the novena will be on Mother's Day, May 14, with

Redemptorist Missionary

a Sunday evening procession of children and a benediction. Novena devotions, consisting of prayers, petitions, hymns, and sermon will be held every evening at 8 o'clock.

The Consecration of the Family will take place, Wednesday evening, May 10; there will be children's services, Monday, Tuesday and Wednesday, and the Solemn close on Mother's Day with Procession and Dedication of the children and Novena Indulgences.

Firemen Invite Public To Event

Hundreds of local firemen, their wives, and friends will attend the big Victory Bond dance at Lovchen Gardens, Colma, Saturday night, May 6. This event will be the annual benefit ball of the Widows' and Orphans' association of the Daly City Fire department and an outstanding program of entertainment and fun is in store for all, according to Chief Andrew P. Chesney and his many committees. Music for dancing will be furnished by Johnny Dell's union orchestra.

Chief Chesney pointed out that Lovchen Gardens may be reached by street car. Those going in this manner should take the No. 40 Market Street Railway car in Daly City, get off at A street, Colma, where the large sign for the Motor Auto court is located, turn to the left after alighting from the car and walk two short blocks to the gardens.

Among distinguished guests present for the ball will be Lieutenant Governor Frederick Houser, in this vicinity for a dinner at the Villa Chartier dining room, San Mateo, relative to his candidacy for United States Senator. He will be introduced by Joseph Sarto, well-known Daly City political and business leader.

What Did You Do About That Letter?

Three thousand, six hundred and fifty Daly City households were sent a final appeal from the Red Cross War Fund office, this week, in an effort to meet the county-wide quota of $234,000. The letters for this area were prepared under the direction of Mrs. Joseph Conlon, Daly City's War Fund women's chairman.

She was ably assisted by the following youngsters: Shirley Van Vliet, Ferol Walrod, Barbara Marsh, Mary Lou Montano, Joan Vittori, Rosalie Musante, Alice Schultheis, Dolly Benning, Delores Dillaboy, Carol Bertelli, Joanne Van Vliet, Barbara Miller, Danny Bertelli, Wayne Dillaboy, Carolyn Salogga, Viola Proschold, and Barbara Jean Schramm.

The letters asked those who had not given to send in a generous contribution and those who had already donated to send in an additional dollar or more to the Red Cross War Fund. Self-addressed envelopes to Burlingame headquarters were enclosed.

Mrs. Conlon pointed out that in order for all contributions going in from here to be properly credited to Daly City it would be necessary for each local person to write his return address, or at least "Daly City," on the reply envelope, which requires no postage.

Daly City gave $4,462.40. Mrs. Conlon hopes that this final appeal by letter will bring this figure closer to the $8,000 goal set for this community.

Company A, Guard, Makes Appeal For Men

Company A, Third battalion, Twenty-third regiment, State Guard, this week announced receiving additional equipment, particularly rifles at its Daly City headquarters, 101 Parkview avenue. The announcement was coupled with an appeal for Daly City and Colma men, 18 to 65, to enlist now for this important service.

The company drills every Sunday at 101 Parkview avenue from 10 a. m. to 12:30 p. m. Members also meet every Wednesday night, 7:30 o'clock at the local headquarters under Captain George Gates. Other executive officers are Lieutenant Milton Mayer and Lieutenant Harry Pixton.

Visitors will be especially welcome at the second Wednesday of the month meeting, when training films are shown. With the arrival of the rifles the local company is now fully equipped. Further information about enlistment may be secured by calling DElaware 2425.

MAY WAR DATES

The early days of May include several dates that are of more than ordinary significance in the history of America's part in World War II.

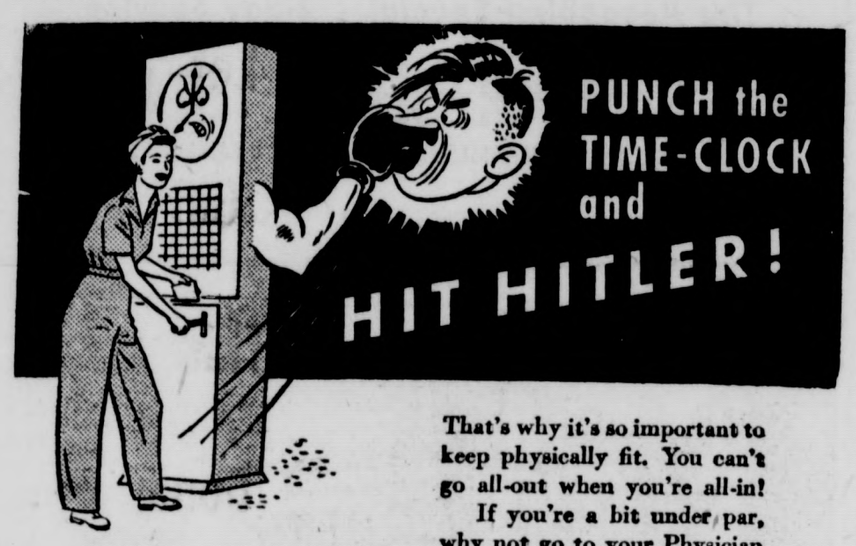
It was just two years ago—May 2, 1942—that the battle of the Coral Sea began. This was our first big sea victory of the war, and it blunted the Jap invasion dagger pointed toward Australia. It also proved to be "only the beginning" of a string of naval successes in the Pacific that have forced the Jap fleet into temporary "retirement."

But our elation over this triumph was heavily dampened by the tragic fall of Corregidor, May 6, 1942, marking the end of organized resistance in the Philippines. The garrison of American soldiers had held out nearly a month following the collapse on Bataan. We didn't know then just how tragic the fall of Corregidor was to the men who became prisoners of the Japs.

Last year, May 7, the fighting in Africa virtually came to a close with the capture of Tunis and Bizerte by American and British soldiers. This climaxed the drive which had begun six months before with Montgomery's smash against Rommel in Egypt and the landing of our forces in Morocco and Algeria. Within 60 days after the cleanup in Africa, we landed on Sicily in our attack against the (not so) "soft underbelly" of the Axis.

In looking back over these events we find that our progress in the European theatre of operations has not been so rapid as we had expected. On the other hand, the headway we have made in the Pacific has been much faster than we would have thought possible two years ago.

However, when May rolls around in 1945 the most important history of World War II will undoubtedly have been written. Let us hope it will tell of a brief, successful invasion of the continent, and of a Pacific campaign that carried right to the very heart of Japan.



● Yes, even though you may not be engaged directly in War work, your productive time is needed now. The harder we work, the quicker we'll win!

That's why it's so important to keep physically fit. You can't go all-out when you're all-in!

If you're a bit under par, why not go to your Physician for a careful check-up. And, when you have his prescription, we'll appreciate the opportunity to demonstrate our careful compounding and courteous service.

The undersigned attorneys, maintaining offices in the First Township, have been frequently called upon to express a preference for candidates for the office of Superior Judge, Department No. 1, in the forthcoming May 16th election.

We take this means of informing our clientele and friends that we unanimously endorse the candidacy of the present incumbent, Honorable Maxwell McNutt, for re-election.

Attendance Exceeds 100 Each Evening At Club

More than a hundred men are stopping in at the Daly City Servicemen's club, 6201 Mission street, each evening, according to tabulated reports kept by the committee. Larger crowds are always present for the Saturday night dances.

Currently, Cypress Circle No. 14, U. A. O. D., is hostess group. Next week, starting May 7, Pershing P. T. A. will be the organization in charge.

Among the many letters received from "the boys," praising the club, were two, this week, from fellows now overseas. Seaman Second Class T. F. McLaughlin, somewhere in the South Pacific, wrote to say "the servicemen's club has certainly done a wonderful job, so keep up the good work!"

Private First Class Harry B. Olson sent a V-mail note which indicated how much he had really enjoyed the Saturday night dances. He spoke of how gracious and attractive the junior hostesses were and added that the women who sponsor the club are "doing a very wonderful job."

Ferrell Pledge

Absolute impartiality and equal justice for everyone of the people, from the most lowly laborer to the highest and most exalted, was the pledge given by Gilbert D. Ferrell, candidate for the office of Superior Judge in a campaign address, this week.

"There can be but ONE course, a Judge of any of our courts can pursue," Ferrell continued, "and that course is one of absolute fairness and equal justice for all.

"I want to go on record here and now as stating to the people of San Mateo county that I will be a judge for ALL the people. In refusing to accept endorsements offered to me by attorneys, I did

For United States Senator

Let's Get Things Done!

Lt. Governor Fred Houser

On May 16 Elect

Lieutenant Governor

FREDERICK F. HOUSER

UNITED STATES SENATOR

HOUSER Says . . .

"Our principal objective today must be to win the war but at the same time it is our duty to see to it that our democracy is kept alive right here at home. After the war it will take United States Senators and Congressmen with real backbone and courage to restore and maintain our Constitutional form of government. The powers which have been gradually absorbed and usurped by a centralized bureaucracy, must be retrieved by a determined, fearless Congress, if the torch of liberty and freedom is to be kept burning in the United States."

HOUSER . . .

Is the only Republican in the race for U. S. Senator who can wipe out the last vestige of the Olson-Patterson-Downey regime in California by defeating Sheridan Downey—the former running mate of Upton Sinclair—and give to California another Senator who can bring the problems of California to the attention of the Senate in a forceful and able manner.

so because I would not be able to return the favor if elected to the office of Superior Judge. However, if elected, I pledge to the members of the Bar absolutely fair and impartial treatment, in cases coming before me for judgment of the court.

"The laws of our State and Country are plainly written in the law books for all to see," Ferrell added. "From my experience as professor of law for three years, one of my students being, incidentally, upon the Supreme Bench today, I believe that our people want more than cold, impassive action on the part of our courts. I expect that they would like to be treated with kindness, courtesy and consideration as well, and that cold fact and law of justice be occasionally touched with mercy. That will be my policy, as well as trying to be a fair, square and honest judge for each and every person. One to whom they can come with their troubles and know and respect—with kindness, dignity and honor."

Attorneys Back Judge McNutt For Reelection

Judge Maxwell McNutt, candidate for re-election after 11 years on the Superior Court bench of San Mateo county, over 30 years of active legal practice during which time he was for four years assistant district attorney in San Francisco, has received the endorsement of the vast majority of attorneys in this county as well as that of leading citizens and officials. In his many years of legal practice he has appeared before every type of judicial body and commission up to the Supreme Court of the United States.

In pledging his unqualified support to the judge, Mayor Claude Hirschey of San Mateo said, "He is one of the finest judges in the state."

Joseph R. Fitzpatrick, a sponsor of the judge for re-election and president of the San Mateo County Bar association, has issued a plea that voters not neglect home issues because of the war.

The judge, a native of this county, never has taken a vacation during his 11 years on the bench at Redwood City. He has established an outstanding record of keeping his calendar clear so that cases may be tried as they come up in order not to impose hardships on those who must appear in court, his supporters pointed out.

Judge McNutt, Able and Experienced

(Editorial Reprint From The San Mateo Times)

In the May 16 primary election there is no local contest of greater importance than that for superior court judge of Department 1. This post is now occupied by the Hon. Maxwell McNutt, who has had eleven years of experience on the San Mateo county bench and who is recognized throughout the state as possessor of one of the finest legal minds in California.

The legal fraternity is inclined to be exact and forthright in its appraisals of judges and lawyers, and when most of them agree on this high estimate of Judge McNutt's ability, the layman may assume that it is correct. As for the average citizen who has watched Judge McNutt on the bench for more than a decade, we know that he is a good judge, honest and fearless in his opinions, above petty considerations, and incorruptible.

In the present campaign his opponents make no issue of his high competence. They make the most of the fact that he bears his position with a certain judicial austerity not commonly regarded as an aid to vote-getting. He is not a back-slapper. He is perhaps not promiscuous with his friendships, but those he has are deep and lasting. What the San Mateo voter should be interested in is that he is an able judge and a credit to the bench in San Mateo county. He points proudly to the fact that his calendar is always up to date. There is no lag in justice here. This is a remarkable record in view of the conditions in most courts of the state, whose dockets are overcrowded and who are sometimes many months behind.

Judge McNutt has been engaged for thirty years in the practice of law in the state of California, and has appeared before every type of judicial body or commission as high as the United States supreme court. He has served for eleven years on the bench in San Mateo county and has never taken a vacation in that time. Before his election here he had been for four years assistant district attorney in San Francisco, and had been successfully engaged in a private practice in San Francisco and in San Mateo, where he lived and where he has spent all of his life.

He is able, businesslike, honest, and experienced. It would be folly to replace him.

Anderson Reports From Washington

Congress, and not the executive departments of government, is taking the lead in making adequate provisions for the future of the men and women in the armed forces of the country, said Congressman John Z. (Jack) Anderson in a radio broadcast from Washington, Saturday evening.

Anderson pointed out that the immediate problem has to do with those who are now being discharged for one reason or another but the larger problem involves the welfare of the millions of veterans who will be demobilized when peace comes.

Among the more important acts approved in recent years are the Pay Readjustment Act of 1942, increasing the base pay of enlisted men from $21 to $50 per month and making more adequate provisions for their families and dependents; the Emergency Family Allowance and Assistance Act., making more generous allowances to the wives and dependents of servicemen; legislation providing extra pay for flying, paratroop operations, submarine service and overseas duty, and many others.

A recent act entitles Army and Navy nurses to officers' rank and pay. Other laws provide free medical, dental and maternal care for the wives of enlisted men; free mailing privileges for all service personnel; special reductions in railroad fare for furloughs as well as cash allowances for rations during furloughs.

Other laws provide for income tax postponements and adjustments and increased exemptions on income taxes, liberal life insurance provisions and pensions for service connected disabilities in addition to free hospitalization and medical care for life.

Congressman Anderson said that he is devoting a great deal of attention to the proper placement of servicemen after the end of the war. He has submitted a plan to the Army and Navy departments which is receiving favorable consideration from both departments.

PRAISES HOUSER

Charles W. Lyon, speaker of the Assembly and potent Republican leader, sounded the praises of Lieutenant Governor Frederick F. Houser as a courageous and experienced legislator at a meeting of Republican clubs held at Los Angeles, this week.

At the same time he pointed to the need for concentrating Republican votes on one candidate in the United States Senatorial contest, May 16.

Lyon paid tribute to Houser's fighting record in the Assembly when Lyon and Houser were seatmates and battled together as members of the economy bloc against the wasteful program of the Olson administration.

High School Girls At Telephone Co.

Nearly two score San Francisco high school girls are receiving school credit for filling part-time positions as telephone operators at the busy switchboards and in the accounting offices of the Pacific Telephone and Telegraph company, Lyle M. Brown, division manager for the company said today.

After four hours in the classroom, the girls serve four hours each day helping to handle the tremendous volume of wartime telephone calls, and in the other office work assignments. Thus valuable business training is combined with their education, and they may literally "earn while they learn." In addition, many of the girls plan to continue in the telephone business after graduation.

Brown complimented the girls on their ability to quickly learn the work, and on the efficient and courteous manner in which they help handle the thousands of telephone calls necessary to put the fighting forces in the field, and keep our production lines moving.

"The telephone company appreciates the cooperation of the school authorities in making the plan possible," Brown said. He concluded, "the plan is of mutual benefit to the company as well as to the girls in this time when we need all the help we can obtain in handling the calls of our country at war."

About Edmonds

Lieutenant Colonel (retired) H. W. Edmonds of Redwood City today opened the final phase of his campaign for Supervisor from the Third Township of San Mateo county by personally visiting every town in San Mateo county to acquaint voters with his record.

Colonel Edmonds, who has recently returned from active duty with the Army, which included service overseas during the present conflict, has for ten years been active in the civic and veteran affairs of the county. He has the unusual record of having served in three wars, including the Philippine Insurrection, World War I and World War II. At the time of his retirement Colonel Edmonds was a member of the Army General Staff Corps and Chief of the Personnel Division—comprising thousands of military and civilian personnel—at a principal port of embarkation on the east coast.

Previous to his entry into this war, Colonel Edmonds was a member of the Redwood City Council and a member and secretary of the Redwood City Port commission. In addition to this he served on scores of civic betterment committees in Redwood City and San Mateo county, and was advisor to the registrants at the time of the inauguration of Selective Service.

In veteran affairs Colonel Edmonds has always taken a leading part, having been commander of Redwood City Post of the American Legion; Past President United Veterans' council of Redwood City, and Past President, United War Veterans' Council of San Mateo county. He is also a Past State (N. C.) Commander of the United Spanish War Veterans.

In World War I he was decorated for gallantry in action by General Pershing. At the time of his original retirement from active duty, General McArthur, then Chief of Staff of the Army, wrote him, . . . "I desire to express the appreciation of the War department of the faithful service you rendered the country in the United States Army. You leave in the department a record which discloses conscientious and efficient service. The commendatory remarks and letters on file are silent testimony to your ability, energy and zeal in the performance of your duties." . . .

In his statement to the voters, Colonel Edmonds declares that: "I feel that my training and experience in military, civic and business activities, qualifies me by reason of demonstrated ability, to assume and discharge the duties and responsibilities of Supervisor of San Mateo county. Elect Hoag President Of County Blood Bank

Dr. Carl L. Hoag, San Mateo, was re-elected president of the San Mateo County Blood Bank for the third consecutive year at the annual meeting of the board of trustees of the county-wide organization held at the Blood Bank in San Mateo, last Saturday. U. S. Simonds jr., Burlingame labor leader, was re-named vice-president and Mrs. Paul J. Hanzlik was returned to the post of executive secretary of the institution. Dr. James F. Rinehart and C. C. Sullivan were again placed on the executive committee.

The annual report, given by Dr. Hoag showed that in the two years operation of the Blood Bank, 7,281 pints of blood have been donated by 4431 San Mateo county citizens, many having given several times. Four thousand and ninety-four units of blood have been processed into plasma and of this 2,415 units were donated to the Oak Knoll Navy hospital at Oakland for the use of wounded Navy men returning from the battlefronts. Two hundred and ninety-four units have been used by Peninsula hospitals and 1236 units are stored in strategic points throughout the county for emergency use in event of disaster, fire, bombing or other emergency.

Location of the frozen plasma is as follows: Blood Bank, San Mateo, 530 units; Bordens creamery, Burlingame, 443 units; Redwood City, 100 units; South San Francisco, 52 units; Daly City, 74 units; Community hospital, San Mateo, 86 units.

Dried Plasma is stored as follows: Half Moon Bay, 12 units; Pescadero, 12 units; Coast Guard station, Mills field, 6 units; Blood Bank, San Mateo, 52 units.

In addition to the frozen and dried plasma, 1326 pints of whole blood were used for emergency transfusions in Peninsula hospitals and 779 pints of fresh blood were sent to the Oak Knoll Naval hospital. The combined donation of blood to the Navy hospitals totals 3,194 pints, which is valued at $25 per pint and represents a donation of $79,800 to the Navy. Praise has been received by the organization for its high standards of operation and the excellence of the product and efficiency in handling the precious cargo which is now on a regular delivery schedule by official Navy station wagons to and from the hospital.

The San Mateo County Blood Bank has also developed the use of the rare "R. H. Negative" group of blood types and is called upon by hospitals throughout the Bay area for this service.

Six thousand five hundred and seventy-four citizens of the county have been typed and their blood type officially recorded.

The Blood Bank was reported to be in sound financial condition and operating more economically and efficiently than any other blood bank in the Bay area.

In honor of the volunteers who have given their time to operate the bank, a dinner will be given, Tuesday evening, May 23, at the Benjamin Franklin hotel in San Mateo. The report shows that 95 volunteers have donated 18,114 hours of work and 61 persons have worked continuously since the opening of the bank two years ago. In addition, 36 Red Cross Nurses Aides have given 1776 hours of time to the bank.

"BARE FACTS" OF BUYING

If you purchased a pound of pork chops, you wouldn't expect the butcher to say, "Shall I wrap them or will you take them as they are? Paper shortage, you know."

Well, the paper shortage isn't quite that bad yet, but in the next few months you may be asked to accept many items—packaged or canned foods, certain drygoods articles—without the customary wrapping.

This year the Army is scheduled to take practically all the heavy brown wrapping paper and more of the corrugated cartons, packing materials and paper bags.

Retailers—both chain and independent—have been using every conceivable method to make their dwindling paper supplies stretch a bit further. Housewives are being urged to help the situation by bringing their own shopping bags so that they can conveniently carry more unwrapped items.

Before long the War Production Board may issue a set of rules for shopping which will indicate which food items must be accepted by the customer without wrapping.

So if you're asked to take something unwrapped, be agreeable to it. The retailer isn't at fault because paper bags and cartons are scarce. The real culprit is one Adolf Hitler.

Hon. John Z. Anderson, M. C.

Dear Mr. Anderson:

You, as a member of the Subcommittee on Congested Areas, have done an outstanding job.

I enclose a copy of a letter which is self-explanatory.

With highest personal regards, I am

Yours very truly,
Carl Vinson, Chairman

Carl Vinson is one of the administration's leaders in the House of Representatives. His letter to your congressman is indisputable evidence of the efficiency, co-operation and high type of representation which the Eighth Congressional District must maintain.

THE WHITE HOUSE
WASHINGTON

FEB 16 1944

My dear Mr. Vinson:

Mr. Harold D. Smith, Chairman of the Committee for Congested Production Areas in my Executive Office, has called my attention to the excellent work done by your Subcommittee to investigate congested areas. The hearings and reports of this Subcommittee have done much to focus attention on the fact that in areas where recent large increases in population have occurred, one of the most important causes of high absenteeism and turnover in war plants and military installations has been the lack of adequate community facilities and services. You and the Chairman of the Subcommittee, Representative Ed. Izac, are to be congratulated on the effective way in which this work has been carried out.

Sincerely yours,
Franklin D. Roosevelt

Jack Anderson wrote the report for the Sub-Committee on congested Areas which resulted in considerable increased housing for this area!

A Good Lunchbox Dessert

THE discovery of something good to put in the lunchbox is a great satisfaction to every homemaker. Packing that lunch day after day tries one's ingenuity, especially in these days of ration points. Therefore the Coffee Ginger Nuts pictured above will be more than welcome. They are delicious to eat and will be a delightful surprise to all lunchbox toters. Be sure to send along a big thermos of full-strength coffee, with its stimulating goodness. Your workers, you know, need every bit of efficiency and alertness they can muster these days.

Here's something new in the way of a cookie that is just the thing for either a lunchbox or cookie jar. Coffee is used as part of the liquid called for in the recipe and imparts a subtle flavor to the cookies. They are perfect to munch while drinking a big cup of delicious coffee, so include both in the next lunchbox you pack. Coffee gives that needed lift when energy is at low ebb. Here is the recipe for Coffee Ginger Nuts. Ginger Nut is the old-fashioned term for thick Ginger Cookies.

Coffee Ginger Nuts

2½ cups sifted flour	½ cup shortening
½ teaspoon salt	½ cup sugar
½ teaspoon ginger	1 egg
½ teaspoon nutmeg	½ cup molasses
1 teaspoon allspice or cinnamon	1 teaspoon soda
	¾ cup hot strong coffee

Mix and sift flour, salt and spices. Cream shortening and sugar together. Add egg and beat well. Stir in molasses. Add soda to hot coffee. Add flour and soda-coffee mixture alternately, stirring well after each addition. Drop by tablespoonfu's onto ungreased baking sheets. Bake 10 to 15 minutes, depending upon size of cookies, in moderately hot oven (400° F.). Yield: 2 dozen large or 4 dozen small cookies.

Lieutenant Giusti Weds S. F. Girl

Lieutenant Roy Giusti and Miss Caryl Tarrenga were married at a ceremony in Our Lady of Perpetual Help church, Sunday, April 16, at 5 o'clock, with Father Adrian McKenna officiating.

The bride is the daughter of Mrs. Allene Tarrenga, San Francisco, and a graduate of Mission high school.

The bride wore white satin and carried a bouquet of bouvardia. Her maid-of-honor was Miss Norma Sorensen and her bridesmaids were Miss Florence Chiesa and Mrs. Loretta Daves. The maid of honor wore blue and the bridesmaids, pink.

Best man was Lieutenant Robert Christen, Daly City. Ushers were Lieutenant Tony Bagatelos and Private Ciro Guglielmi. The groom and his attendants all wore green uniforms.

Following the wedding ceremony a reception for friends and relatives was held at the home of the groom's parents. More than 150 were in attendance to wish the young couple happiness.

Lieutenant Giusti has now gone to Lincoln, Nebraska, for reassignment, following his graduation from the Advanced Navigation group at Ellington field, Texas.

Need More Women To Make Dressings

Failure to make the monthly quota of 110,000 sponges, required by the armed forces of the Surgical Dressings department of the San Mateo County Red Cross chapter, is attributed to lack of a sufficient number of women volunteering their services in carrying out this vital program.

"By giving a few hours a week in the preparation of surgical dressings, the women of San Mateo county, with their combined efforts, would enable their local Red Cross Chapter to fulfill this quota," states Mrs. Samuel Crim, chairman of Surgical Dressings, in renewing her appeal for more volunteers.

Women are urged to start giving their services now so that the monthly quota may be met, thus helping to maintain a constant supply of materials needed by doctors and nurses in caring for the wounded overseas.

Daly City's workroom is conveniently located at Theatre hall above the Daly City theatre. Mrs. J. G. Morris is in charge. Hours are 10 a. m. to 4 p. m. Wednesdays and Fridays.

News From District Grammar Schools

AT WOODROW

The president of the United States, Franklin D. Roosevelt, designated May 1 as "Child Health Day." The Woodrow Wilson student body took the opportunity to present a program on health. The subjects of the talks were: "Health Problems" and "War Waste." The pupils from the first aid class demonstrated activities showing the importance of knowing first aid.

The boys of Room 8 are very interested in working with wood and are making sewing baskets, waste paper baskets, napkin holders, and many other things for Mother's Day.

Room 9 enjoyed and learned the stages and processes the coffee bean must go through before it is bought at the store. A film was shown Monday which illustrated steps from the planting to the purchasing of coffee.

Room 12 pupils are now studying and writing reports on modern ways of living. The chairmen for this week's report are Betty Jean Cherry, Nancy Banfield, and Bobby Raine.

In art the children are working on covers for their booklets.

Room 15 had a very interesting and worthwhile sound film shown, "Candle Making." The children saw how candles were made by dipping the wicks into the melted tallow. They learned that candle-making in the pioneer days was a long and difficult task.

The children of Room 14 are now learning to make written book reports. Several of them have read some of the very worthwhile books for children and are reporting on them. This is a new phase in their library work because until the present time they had been giving oral reports.

AT JEFFERSON

Saturday, April 22, the eighth grade children of Jefferson elementary school accompanied by their classroom teacher, enjoyed a delightful day in Golden Gate park. Before starting out it was agreed that certain places of unusual interest would be visited in the forenoon, that lunch would be eaten on the grassy slopes near Stow lake and after lunch, boating on the lake would be enjoyed until 4 o'clock.

The children with their teacher arrived at the park about 10 o'clock and proceeded first to the arboretum and then to the Oriental tea garden. After viewing these beauty spots they crossed the bridge to Huntington falls and walked up to the top of Strawberry hill for a general view of the park. The last places of interest visited were the aquarium, Academy of Science, the African hall and the museum.

The happy and now ravenously hungry group quickly proceeded to Stow lake where lunches were eaten and in a very short while the children were boating on the placid waters of the lovely little lake. After two hours of boating the "Time to Go Home" signal was given.

As a culmination to last week's nature study of various types of leaves, the sixth grade is making a collection of the principal types of leaves. The children have begun to mount some of their specimens and are putting them on the class bulletin board.

The fourth grade is developing a small class room library for use during its free reading periods. The children have brought favorite story books and magazines from home. On audience reading days, they take turns in reading short stories to the class. James Marshall and Stanley are the class librarians.

Children in the second and third grades are collecting various kinds of flower and vegetable seeds for their seed chart. The seeds are placed in cellophane envelopes which permit the varying shape, size and color of the seeds to be seen. Adjoining the seed envelope is a picture of the flower or vegetable in color. These charts are very attractive as well as instructive.

AT CROCKER

Last week the pupils of Room 2 were shown a moving picture entitled "Candle-Making." It showed a pioneer family engaged in dipping candles. The children showed great interest in this film as it correlated with their unit on "Pioneer Life."

In their study on the unit of farming, the students of Room 3 composed scrapbooks. The books were done by committees of three members.

During their social science period, Room 4 was shown a film called "Land of Liberty." This portrayed the formation of the government of the United States of America.

Two interesting sound films were shown to the boys and girls of Room 6 in connection with the social science program. The first, "New Dawn in an Ancient Forest," dealt with the unit on conservation and "The Man Without a Country," with the new unit on culture.

PLAY-DAY

Balboa is planning to have a swimming play-day at Jefferson, April 24, at 3:30.

Girls from Jefferson have been invited and quite a few have signed up for the play-day, Wednesday of that date.

Speaking of swimming, Esther Borglin, Shirley Miller, and Lora Barghini have passed their beginner's test.

C. S. F.

Members of the California Scholarship Federation are still working on their scrapbooks. So far seven of the fourteen have been turned in.

Members have also started to make afghan squares.

Plans for a "Musical Quiz Show" for the May 19 assembly are being made. During the week of May 19 the stamps and bonds booth will be taken over by the C. S. F. members.

PASSED

Bob Sinclair, Jack Dyer, Ted Prescott, and Eugene Lowry received word that they have passed the Army Specialized Training test.

The test was taken at Balboa high school, March 15.

VISITORS

Joe Becker, Navy; John Nordquist, Army; Lou Arata, Army; George Cordellos, Navy; Ray Camillo, Navy, were visitors at Jefferson during the last two weeks.

NONE AT ALL

First the date was changed and finally there was no date at all. You guessed it, no junior-senior party. Reason? It seems that some of the students didn't buy their tickets. Maybe next time they will do better.

PUBLIC SCHOOLS WEEK

Public Schools Week was celebrated at Jefferson Union high school, Tuesday evening, April 25, with M. J. Jensen presiding as chairman.

Rooms were open for parents' inspection at 7:30 p. m. At 8 p. m. the program was under way with the Jefferson high school band playing "Morning, Noon, and Night."

The chorus, under the direction of Oscar Busch, sang, "Gloria in Excelsis" by Mozart; "Ave Maria," by Schubert, and "Commit thy Ways," by Bach. Soloists were: Pat Marocco, Frances Crossley, and Marie Nunes.

Following the chorus presentation Professor Harold J. Rathburn, from Stanford university, addressed the audience.

The program ended with the pledge of allegiance.

Following the program in the auditorium the parents were invited to see the swimming demonstration under the direction of Miss Ella Redkey and Miss Claire Nace.

The swimming demonstration consisted of a beginners demonstration, beginners test, demonstration of strokes for form, relay race, diving progression, formation swimming, and stunt diving.

During intermission a marching drill was presented.

Girls participating in the beginners demonstration were: Iris Evans, Jean Preston, Waverly Hamilton, Edith Erickson, Marjorie Crawford, LaVerne Torkelson, Amelia Capurro, Roberta Miller, Violet Sharp, Virginia Nestor, Sue Foster, Mary Curtis, Lois Rich, Lenore Ross, and Winifred Grant.

Raffella Compani and Shirley Scholton passed their beginners test again in the beginners test demonstration.

For form swimming or the crawl stroke were Lenore Ross, Lanette McNerney, Peggy Hanley, Virginia Nestor, Violet Sharp, Mary Curtis, Barbara Ford.

For the elementary back stroke were: Ruby Murphy, Pat Hancock, Theresa DeLeon, Roberta Miller, Lois Rich, and Winifred Grant.

Amelia Capurro, Peggy Hanley, and Verna Moresco did the breast stroke.

On the side stroke were: Lenore Ross, LaVerne Torkelson, Violet Sharp, Ruby Murphy, Winnie Grant, Lois Rich, Theresa DeLeon, Waverly Hamilton, and Gloria Bacigalupi. On the racing back stroke were Jean Preston, Mary Grenci, Mary Curtis, Barbara Ford, Sue Foster, Peggy Hanley, and Virginia Nestor.

In the relays the girls were divided into four teams.

In the diving progression were Roberta Miller, Marjorie Crawford, Jean Preston, Iris Evans, Lenore Ross, Barbara Ford, Lanette McNerney, Virginia Nestor, Winnie Grant, Sue Foster.

A few difficult dives were performed by Helen Capps.

In the stunt division were: Raffella Compani, Jean Preston, Iris Evans, Roberta Miller, Marjorie Crawford, and Amelia Capurro.

Augusta Cattaneo, Claudilia Lauretta, and Eloise Harrison were usherettes during the program.

Dorothy Nelson helped Miss Nace and Miss Redkey in getting the girls ready for the program.

BONDS 'N STAMPS

The sophomores were ahead the month of April in the sales of stamps and bonds. Jack Ferro and Esther Romani had their names added to the honor roll.

The total for the month of April is $1,904.20 which is good considering no drives were held this month.

Again the Treasury flag will fly, but the 100 per cent goal hoped for was not quite reached.

C. S. F. girls have been selling stamps this week and will sell again during the week of May 15-19, when the C. S. F. will be in charge of an assembly program to which admission will be by stamp purchases.
